§ Underlined courses: Underlined courses will also satisfy the 6 hour International & Cultural Diversity requirement. These are the ONLY courses that can satisfy 2 core curriculum requirements. For example, GEOG 202 can satisfy the Humanities requirement and the International & Cultural Diversity requirement.  
 ♣MATH 141 & 166 and MATH 142 & 131 interchange upon change of curriculum (Medical schools require MATH 131)  
 ♣Business majors must choose from specific PSYC, SOCI, ANTH, or WMST courses (Management and Marketing majors must take PSYC 107)  
 ♣Education majors have limited choices and should carefully check catalog  
 ♣Construction Science requires ECON 202  
 ♣Carefully check Construction Science in Catalog  
 ♣Carefully check Landscape Architecture in Catalog  
 ♣Landscape Architecture requires LAND 240  
 ♣If MODL is used for this requirement, it must be in a different language than taken in high school, or, if in the same language, at the 200-level or higher  
 ♣Engineering requires ENGR 482, Ethics and Engineering. Carefully check Catalog  
 ♣Landscape Architecture requires ENDS 150
